THE CONSISTENT CHOICE FOR BREATHTAKING DYNAMICS.

In 2012, BMW is returning to the DTM German touring car series for the first time since 1992, after 49 victories, 30 pole positions, no fewer than 185 podium places and three DTM driver titles. Good reason for us to now offer you the opportunity to give your BMW definitive racing character and even greater dynamics with BMW M Performance Parts – the result of years of racing experience and intense manufacturing and development processes. Whether it's for the aerodynamics, the chassis, the cockpit or the powertrain – BMW M Performance Parts are the clear choice for premium quality and sporty innovation. Give your BMW a breathtaking racing feel.

1 BMW M Performance Aerodynamics package

For even better aerodynamic values, and perfectly adapted to the BMW 1 Series and BMW 3 Series. Features for the BMW 1 Series, for example, include air intakes, splitter and front bumper components, rear diffuser and blades for the side sills. A strong BMW M Performance Parts statement is also made by the accompanying trim for the side sills with M Performance lettering. The BMW M Sport package is a prerequisite for the BMW M Performance Aerodynamics package.

1 BMW M Performance front grille, black

Frame and vertical slats in black underline the distinctive and dynamic look.

1 BMW M Performance top stripes

Over the bonnet, roof and rear, ensuring extremely sporty lines. Available in black and in white.

1 BMW M Performance carbon exterior mirror caps

Hand-crafted and adapted to the BMW 1 Series and BMW 3 Series for a high-quality, high-tech appearance.

2 BMW M Performance rear fins

Accentuate individual, sporty style and perfectly adapted to the contours of the BMW 1 Series. Only available in conjunction with BMW M Performance rear spoiler.

2, 4 19" BMW M Performance light-alloy wheels Double-spoke 405 M

Weight-optimised, Bicolour and with four-colour M logo. For the BMW 1 Series with 19" wheels and the BMW 3 Series with 20" wheels.

3 BMW M Performance rear spoiler

For a powerful, sporty look. Available in high quality black painted plastic for the BMW 1 Series and the BMW 3 Series. The BMW 3 Series can also be equipped with the BMW M Performance carbon rear spoiler (pic 3). The latter is carefully hand-crafted from 100 per cent carbon, is weight-optimised and offers maximum stability.

4 BMW M Performance 18" brake system

Inner-vented, lightweight sport brake discs. Designed for extremely sporty driving and higher thermal challenges. Four-piston aluminium caliper on the front axle, two-piston aluminium caliper on the rear axle. Available in

M Performance Red, M Performance Yellow or M Performance Orange. Includes coloured M logo.

5 BMW M Performance chassis

Discover unique driving feel. With this system, the shock absorbers, wishbones and stabilisers have all been extensively tested and then adapted to strict motorsport criteria. The result: agility that will never fail to amaze.

1 BMW M Performance Alcantara steering wheel with carbon trim and race display

A motor sport feel thanks to integrated race computer and dynamic BMW M Performance design. Display features the latest OLED technology, gearshift indicator and EfficientDynamics, Sport and Race modes. Open-pore carbon and Alcantara steering wheel offers excellent grip and is flattened at the bottom.

1 BMW M Performance carbon interior trim with Alcantara

Design highlights that can be seen and felt. Open-pore carbon-fibre combined with Alcantara, with M Performance branding.

1 BMW M Performance carbon gearshift lever with Alcantara gaiter

Open-pore carbon-fibre is again combined with Alcantara. The result is a new and even more direct gear-change feel. With M Performance branding in the gearshift graphic.

2 BMW M Performance pedal covers/footrest in stainless steel

Stainless steel pedal covers. The optional M Performance footrest features precise workmanship and a purist, technical look.

2 BMW M Performance floor mat

The dynamic design harmonises perfectly with the pedal covers. Easy to clean and with a hard-wearing step protector. Optimum grip thanks to integrated rubber studs in the pedal area.

3 BMW M Performance exhaust system

Two chrome-plated stainless steel tailpipes with high-tech design ensure an even more powerful and sporty sound and reduce exhaust back pressure. Includes M logo. Available for 125i and 335i.

3 BMW M Performance exhaust pipe finisher in chrome

The high-gloss chrome-plated stainless steel trim underlines the expressive character of your BMW 1 Series or BMW 3 Series with even more sportiness. Only available for four-cylinder diesel models.

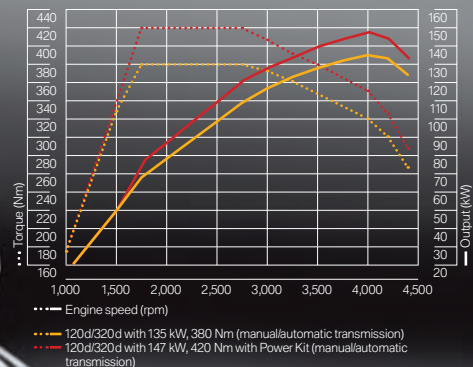

4 BMW M Performance Power Kit

BMW M Performance Power Kits further increase the already impressive performance of your BMW 1 Series or BMW 3 Series thanks to perfectly matched software and hardware components. Peak torque varies according to

the selected gear. The performance increase, brought about by engine data modifications, introduces new thermal challenges. This is why, as well as a new control unit that processes the data, there is a larger intercooler. Only with the Original BMW M Performance Power Kit does the BMW warranty remain unaffected. Available for the following engine variants: 120d and 320d and, from 12/2012, the 335i. The BMW M Performance Power Kit includes the BMW M Performance logo.

Performance data for the BMW 120d/320d with BMW M Performance Power Kit Full load 120d/320d

1 BMW M Performance front grille, black

Frame and vertical slats in black. Underlines the elegant and dynamic character of the BMW 5 Series.

1 BMW M Performance carbon exterior mirror caps

Sporty high-quality look with high-tech character. Carefully hand-crafted.

1 BMW M Performance side skirt trim¹

Black trim application with M Performance lettering, optimally matched to the car's design.

1 + 3 BMW M Performance carbon front splitter¹

Sporty, high-quality and perfectly adapted to the vehicle design. Carefully hand-crafted from 100 per cent carbon.

1 + 5 20" BMW M Performance light-alloy wheels V-spoke 464 M

Available in Bicolour look and Liquid Black.

2 Performance data for the BMW 520d with BMW M Performance Power Kit Full load 520d

2 BMW M Performance Power Kit

BMW M Performance Power kits further increase the already impressive performance of your BMW 5 Series (520d) thanks to perfectly matched software and hardware components. Peak engine torque varies according to the selected gear. The M Performance lettering for the side sills is included in the BMW M Performance Power Kit.

4 BMW M Performance rear diffuser¹

Elegant dynamics that blend seamlessly with the design and specifically developed for the BMW 5 Series.

4 BMW M Performance exhaust system²

For an impressively sporty sound – inside and out. Distinct, high-quality stainless steel silencer system with chrome-plated tailpipes. Available for 535i.

6 BMW M Performance Alcantara steering wheel

Alcantara-covered for optimum grip, flattened at the bottom and featuring painted carbon trim.

6 BMW M Performance carbon gearshift lever with Alcantara gaiter

Painted carbon-fibre combined with Alcantara. The result is a new and even sportier gear-change feel.

6 BMW M Performance pedal covers/footrest in stainless steel

Stainless steel pedal covers. The M Performance footrest in a matching design is optional.

6 BMW M Performance carbon interior trim

Create exclusive sports car aesthetics and a fascinating three-dimensional effect with painted carbon. Includes M Performance lettering.
